

## Announcing a NEW Faith Formation Course...in 8 classes.

### “A QUICK JOURNEY THROUGH THE BIBLE”

This course is part of The Great Adventure Series published by Ascension Press. The DVD series, presented by Jeff Cavins and led by parishioner Joan Buono, provides an excellent introduction and overview of Scripture. Salvation history is covered briefly from Genesis through the resurrection of Christ and the establishment of the Catholic Church, giving participants the **‘big picture’** of the Bible. The complexity of the Bible is made simple through an easy-to-follow narrative approach and the ingenious color-coded **Bible Timeline** system. Participants view a 30 minute DVD presentation, engage in group discussion and will:

- \* See how the major people, places, and events of the Bible fit together within the central story woven throughout Scripture.
- \* Learn fourteen narrative books of the Bible and the twelve major time periods of salvation history.
- \* Study the six covenants God made with humanity, leading to the establishment of the Catholic Church.
- \* See how the fourteen narrative books fit in with the other fifty-nine books of the Bible.
- \* Learn how to use the color-coded tools to remember the important time-periods of the Old and New Testaments.

Participants are provided with a 33” *Bible Timeline Chart*, *A Quick Journey Through The Bible Study Guide* (64 pages), a *Bible Timeline Bookmark*, and a Memory Bead Wristband. Just bring your own bible to class. *Homework assignments are light and many optional, and workbook exercises are completed in class.*
